Dear Talha WAHEED

We have granted you a Skilled - Recognised Graduate (subclass 476) visa on 11 March 2020.

Important information for visa holders on travel to Australia

The Australian Government has implemented strict travel restrictions for certain countries due to the COVID-19 virus.

While you have met the requirements for, and have been granted your visa, please be aware that restrictions remain in place for travel to Australia.

Until these strict restrictions are lifted, you are not allowed to enter Australia until 14 days after you have left, or transited through, countries identified as being impacted by COVID-19 virus. Limited exceptions are listed on the Department of Home Affairs website.

If you attempt to travel to Australia, either directly or indirectly from one of the identified countries, and you do not meet one of the exceptions, your airline may not allow you to board the flipt. If you arrive and it is determined that you have been in one of the identified countries within the past 14 days, your visa may be cancelled.

Please go to the Department of Home Affairs website for the latest information on the list of countries from where travel has been restricted due to the COVID-19 virus www.homeaffairs.gov.au/mews-media/current-alerts/novel-coronavirus

I found GEO CONSULTANTS from Facebook and contact them for my 476 IED extension, the way they communicate from Pakistan and Australia are superb, they took no time to reply for queries, it took some time for me to transfer my payment as I am residing in Srilanka but they got the extension in a lesser time than that. I recommend GEO CONSULTANT for your visa related work.

I paid in advance to process my visa application, but due to COVID-19, I had to postpone my plan to go abroad. I requested GEO Consultants to refund some of money and they refunded my 100% amount within a day without any question. I am very happy that there are businesses that really care and help customers in times of need. I really admire trusting and having a positive opinion about GEO Consultants
